

(This file was last updated August 31, 2008 and is closed out.)* (Fiscal year 2009 began September 1, 2008)

If a permit number is listed as 00000, it is not yet permitted or added to an existing permit. If the number is 99999, the system is distribution, which does not require a permit.

* typos corrected and permit numbers replace 00000 as discovered. Last revision 10/22/08
